

SPRINTER SHIP MANAGEMENT
SIMPLIFYING SHIPPING SOLUTIONS

About Us

Sprinter Ship Management is a dynamic shipping company with a experience team of skilled professionals providing the highest quality of service to Maritime Industry. Headquartered in JLT Dubai, SSM is highly diversified and aiming to be the most successful and prominent Ship operating company in the United Arab Emirates.

We provide a wide range of ship management services while assisting our clients to manage their assets in an efficient, safe and economical manner. We are qualified and certified to manage multiple of vessel types, including dry bulk carriers, tankers and container ships, for various flags. SSM offers integrated tailor-made services to satisfy its clients' needs.

Furthermore, we provide Commercial services through a dedicated and experienced team which takes pride in providing high quality services to our clients by competitive chartering activities. We assist our clients on negotiating and concluding periodic charters for bulkers and or oil tankers.

We operate our fleet to the highest industry standards; where factors like crew welfare, safety awareness & environmental conscientiousness are not just procedural requirements, but a company culture. This culture is a direct influence of our core values & has been inculcated by virtue of the commitment of the top management, who are actively involved in the reviews of the QSHE policy & its implementation.
